Sample Itinerary

Day trip or overnight tour package recommendations:

From Spokane:

Cashmere is about 3 1/2 hours from Spokane, Washington and a drive through Washington's Farm Belt.

I would recommend taking highway 90 west from Spokane then turn north on highway 281 to Quincy then west on Highway 28 to Highway 97 then into to Cashmere. When you arrive in Cashmere, take the two tours: The Aplet & Cotlet Candy Factory tour, and then to Cashmere's Pioneer Village and Museum tour. These two tours would involve about two to three hours that would include sampling and shopping. Each of the tour locations have wonderful shops with outstanding quality products and gifts, both local and from throughout the United States. You could then stroll through our quaint small town and enjoy a leisurely meal at one of several restaurants in Cashmere. Following the meal, a short ride to the Bavarian Village of Leavenworth, (12 miles) for an afternoon of sightseeing and shopping in their many wonderful shops. On your way to Leavenworth stop at Smallwoods Harvest Fruit Stand and Gift shop. Enjoy samples of their many fine products and take a leisurely walk through the petting zoo. Then on to Leavenworth to enjoy a wonderful Bavarian Village and a meal at King Ludwigs restaurant prior to the ride back to Spokane. If an overnight is desired, reservations can be arranged with any of the many fine motels in Leavenworth; The Enzian Inn, Best Western Icicle Inn, or select from many others available in town.

There are many other attractions and activities in this wonderful valley. For more information on these additional activities and attractions, please visit our website www.visitcashmere.com, or contact us and we will be happy to mail information to you.

A sample time schedule:

| | |
|-----------------------|-------------------|
| Leave Spokane | 7:00 AM |
| Arrive Cashmere | 10:30 AM |
| Cashmere Tours | 10:00AM to 12:00 |
| Lunch | 12:00 to 1:00 |
| Travel to Leavenworth | 1:00PM |
| Tour Leavenworth | 1:50 PM to 4:30PM |
| Dinner | 4:30PM to 5:30PM |
